## Honor, Remember, Reconnect and Support CNC

Cincinnati Nature Center has created a special place at Rowe Woods for flowers and memories to flourish. In the Celebration Garden, you have the opportunity to honor loved ones and remember special times while supporting CNC in a new way. Celebrate family, friends and special occasions by making a gift to CNC's Celebration Garden.

Your tribute may be displayed on the following:

- Beech, Maple and Oak Leaves on *Forest of Friends* Leaf Mosaics
- Plaques on Stone Seats
- Stepping Stones
- Engraved Tiles on Stone Columns
- Garden Zones with Stone/Sculptures
- Seating Areas with Benches
- Entry Arbors and more

A portion of all gifts to the Celebration Garden (75%) will be used to provide general operating support, including educational programming and trail maintenance, or to help generate ongoing endowment to support CNC for years to come. The remainder of your gift is used to purchase and install an item in the garden. For more information, please contact the Gifts Coordinator at 513/965-4893.

CNC's Celebration Garden is located near Krippendorf Lodge and was designed to celebrate the horticultural tradition of Carl Krippendorf, who began gardening on the property in 1899. In the garden, CNC will plant native flowers, shrubs and trees to honor the Krippendorf legacy.
